

## MY RESOLVE

Please allow me to introduce myself and my ministry. As a result of the faithful witness of one of my brothers, I received Christ as my Savior in September 1974 as a 19-year-old young man. I was called to preach within three months of my salvation. After being baptized in a Baptist Church and attending their Bible Institute for one year, I was led to enroll at Hyles-Anderson College. I received a Bachelor's degree in Pastoral Theology and a Master's degree in Educational Administration. I also met and married my wife, Linda, while in college.

After being a pastor at two different churches between 1982 and 1996, (as well as administering a Christian school between those pastorates) I started this ministry of missionary evangelism.

This ministry involves going to different countries working with missionaries and national pastors in starting churches, holding revivals, expanding church ministries, and doing the work of an evangelist.

Since 2000 I have been preaching mission conferences in the United States challenging churches to increase their giving to missionaries. In March of 2005 I became a field representative for FBMI, the mission board of the First Baptist Church in Hammond, Indiana. Then in 2013, I became the FBMI Field Service Coordinator for the Western Hemisphere. I continue to serve Independent Baptist missionaries and national pastors around the world.

## RECOMMENDATIONS

Dear Brother James:

We can hardly express our appreciation to you for the great things God has done to our church. Our place was shaken. Revival has come to our church. Salvation became a reality to many. Our dreams are coming true. What a great God we serve. Thank you for giving to us your precious time, effort, and even your own money in order that we can have revival and precious souls saved in our area. Words of thanksgiving are not enough to express our gratitude to you. God is just awesome, wonderful, and amazing. My family and the entire church express a sincere "Thank you."

Dear Pastor,

It is my great honor to recommend to pastors, churches and missionaries all over the world my friend, Evangelist Jim Belisle. Bro. Jim's effectiveness is due to his unique combination of experience as a pastor for many years and a world-traveling evangelist to many nations, thereby giving him a thorough understanding of the missionary's perspective. Bro. Jim Belisle is someone I would recommend for any type of meeting or conference for missionaries and U.S. pastors.
