Dear Praying Churches and Friends,

Grace Baptist Church is off to a running start this new year. It has been a very busy few months, and God has been working in Enfield in some truly amazing ways. I have loved seeing how God has blessed our obedience to Him, and it has been so exciting seeing God build a work here. God has been using this young work in the hearts and lives of many in this area. I am thrilled at what God is doing, and we are pushing for some great days in the coming months.

A few weeks ago, a lady named Brenda, who had gone to an independent Baptist church in Scotland years ago, stumbled upon our church's website one Saturday night. She read through our statement of faith and thought, "I agree with everything here, so I'm going to go there tomorrow morning for church." She did come, and we immediately struck a friendship. She has been so faithful, and we have truly enjoyed the excited spirit she has brought to Grace Baptist Church.

However, the story does not end there. The following week she brought her son. He has also been a blessing, and it has been exciting to see him starting to grow in grace. That same week she asked for prayer for her second cousin Lorraine and her newborn child who was in intensive care with pneumonia. We did pray, and I was able to go to the hospital in central London to visit with Lorraine and pray for her very sick baby boy.

After talking with Lorraine for a little while, we decided to go to the "Prayer Chapel" and pray once again for her boy. (I have been soul winning for over 15 years now, and what happened next, I've never experienced; but I loved every minute of it!) Inside this "Prayer Chapel," Muslims were everywhere "praying." We found a seat in the middle of the room and began to pray. After praying to THE God of gods, I asked Lorraine if she knew Christ as her Saviour. She did not. I took my Bible out and began telling Lorraine about Jesus, the ONLY true Saviour. During the whole time, Muslims were "praying," but Lorraine was hearing the truth of God's Word. Lorraine bowed her head and fervently asked Christ to save her in the midst of the commotion around us. She looked at me after receiving Christ with tears streaming down her cheeks and a light in her eyes that did not exist before. We talked for a while, and she had a peace in her spirit that truly passeth all understanding!

I told Lorraine to keep praying for her boy and that we would be excited to see how God would answer our prayers for her son. Three days later Lorraine and her boy went home, and he was completely well! This young mother, as a baby Christian, has seen God do something that only He can do! She is ecstatic about all that happened. We now know one of the many reasons Brenda came to Grace Baptist Church—to see one of her family members trust Christ as Saviour! Praise the Lord for divine appointments!

Continue to pray for Grace Baptist Church. So much more could be written, but what a blessing it is to see God working in lives! Also, please pray for our church's six-month anniversary on April 18th. We will be having our charter service then and also are praying that we will have a record attendance that day.

Please pray for my wife, as she will be giving birth to our third son in the next month or so. This pregnancy has been a little hard on her, so please continue to pray for her and our little boy. David and Jonathan are doing great, and they are definitely boys. We enjoy them so much, and watching them grow has been a joy for Holly and me. We so appreciate all your prayers and the amazing sacrifices you make to keep us here in London. God has been answering your prayers and blessing your expressions of love. My family and I pray for you, your families, and your ministries. May God use you in a great way this year!

Yours for the souls of England,

Justin, Holly, David, Jonathan, and Baby Williams
