Dear Supporting Friends,

#### **What a Blessing!**

Let me say first, thank you for being faithful in your support. We do get a little worried when we hear the news reports of the credit crunch, etc.; but our support level is fine, and we appreciate it. God has used you over and over again!

#### **What a Trip!**

After arriving in Chicago, I traveled for three weeks of meetings in Michigan, Ohio, Indiana, and Kentucky. It was a joy to visit the churches and to see what God is doing. I saw many friends at Pastors' School and appreciated being allowed to set up a table. While visiting with Pastor Darrell Hurst, God used me to lead four young college men from Tibet to the Lord. It was a tiring trip but a tremendous blessing, and I was grateful for every reception and kindness. They were many!

#### **The Blackpool Revival**

In January of this year, Dr. Darrell Moore came over with his wife for a weekend. Our people loved meeting them and thoroughly enjoyed his preaching. On his return to the States, he told me that he couldn't sleep one night, and he prayed for us. While he prayed, he said that God impressed on him to send Brother Jeremy Snipes and some Hyles-Anderson College students back with us when we returned to England. Four young men were able to come with Brother Snipes for a week of revival in Blackpool. What a time we had! During the evenings a good crowd assembled for the preaching. **By the end of the week, 52 people were saved out soul winning, and 2 were saved in church! We now have a stack of visits to make. Also, a young man in our church surrendered to attend Hyles-Anderson College, and another key man joined our church! So far in 2009, 76 souls have been saved!**

#### **Family News**

Our boys are busy in their studies, and we are now well settled in this area. Thank you for your prayers about this. Tomorrow we are going to buy three more baby chickens for the boys in a continuation of a home school project. Lastly, thank you again for your support during the times of difficulty. Even though the world struggles with the credit crunch, your prayers and support have faithfully continued. We are eternally grateful. May God continue to bless you!

Yours for souls,
