Dear Supporting Friends,

Happy News!

We are excited about some positive developments that we want to share. Our assistant, **Brother Bosco, was recently hired on a part-time basis**, with a future plan of hiring him full-time. Also, we are happy to tell you that God is **bringing in the John Anderson family to help in our church**. The Andersons are new missionaries to England with Macedonia Baptist Missions. They will be working with Brother Bosco in our church in London. They will arrive on the 10th of September, and our people are really thrilled for them to come!

The Excitement Never Ends!

Last month we visited Victory Baptist Church in Blackpool, which is a large city in northern England. They desperately need a pastor and asked me to come and candidate. I am happy to tell you that they unanimously voted me in as their new pastor. On the 22nd of September, I will be travelling up to Blackpool to accept the call. We are happy to be here for two weeks to help Brother Anderson acclimatize to our church in London. Please pray for this transition to be smooth and successful.

Summer Fun

We had a summer full of activities. On two occasions, we were able to go to special community festivals and hand out hundreds of tracts. Two families visited as a result and were saved! We also had an exciting Vacation Bible School which we did in a Western Round-Up theme. The men travelled with me on a camping trip, and we had picnics and barbeques. **We had over 30 visitors through the summer and 23 saved!** Who's talking summer blues?

A Relief

After watching many departures, it sure is exciting to have missionaries coming over! **Pray for the Williams family who will soon be arriving to work in London.** The Andersons have already been an encouragement! I am thrilled with their caliber. It is also a blessing to see the British pound weaken to the dollar, even though prices here continue to climb.

Please pray for my family as we work to make our move to Blackpool this fall. Mary Beth is house hunting, and I know that she will find us the perfect rental house to rear our family. The people are happy about the prospect of our ministering up North, and we are thankful to have the opportunity. Thank you so very much for the privilege to partner with you for over a decade ministering in England. We know God is using your prayers and support to keep us serving over here!

Yours for souls,

The Solt Family
