Dear Supporting Friends,

Transition Time

Thank you for praying for us during this transition time. It was sad saying “goodbye” to our people in London; but **on my last Sunday there, we had an attendance of 153, and 1 lady was saved!** Brother Anderson is doing a great job assuming the leadership of the ministry in London. Park View Baptist continues to be blessed and is seeing exciting growth.

Helping in Blackpool!

It has been a very interesting situation for the past few months. The move up to Blackpool has been going fairly smoothly. Our house outside of London has been slow to sell, yet we have found a farmhouse to live in up here. The family is anxious to be together in our new location. I have been working for over a month here in Blackpool. Our area has a population of 250,000, and we are an hour away from Manchester, the third largest city in England. We are also about 45 minutes from Liverpool! Currently, we are helping a struggling church in Blackpool. One desire is to help our missionary friend, Brother Bill Smith, as he begins his new position as Pastor Emeritus of Victory Baptist. We appreciate his guidance and grace in handing over the church pastorate. **Happily, we have had 5 people saved so far.**

Growth

Recently we had a special day where we dedicated 3 babies and a small girl; **67 people came to that service!** We also had the opportunity to honor Pastor Smith and his dear wife with a beautiful plaque naming the auditorium after him. Brother Smith and his family have been at it around here since 1982! They have had a lot of blessings but have also faced deep trials. Right now they are in the States raising support. I would highly recommend them to our churches. **These are good people, and we need them here!**

Keeping on

I have been worried about you all a little since the financial crisis in America. I hope that you are all faring well and that your ministries are prospering. Please drop me a line sometime via e-mail. I would love to hear from you at davesolt@hotmail.co.uk. *We are so grateful for the continued excellent support!*

All rumors aside, **Mary Beth is about three months along with our fourth child.** This is a definite prayer request as she goes through these changes in location, ministry, and family. The boys are 11, 9, and 6 and, therefore, should be some fine helpers! Thanks for all that you do. Please pray for our move; we would greatly appreciate that right now. You are the greatest!

Yours for souls,
