

December 2008 and New Year's 2009

Dear Supporting Friends,

Hope You Had a Wonderful Season

It is our hope that your Christmas season was restful and that it enabled you to recharge your batteries for the work ahead. There are many souls that need to be saved in the future, over here as well as all over the world. Recently **we had 5 saved in one week, and over 70 people have visited our church since September.** God has a big job for us, and we need to be ready.

God's People March On

Even though the situation in the USA looks difficult for many at this time, our cause is not over! We have a great opportunity to stand for our Lord. If anything, the credit crunch is a wake-up call for us to get busy in the greatest of all callings, and that is to win the world to a loving Saviour. Here in Britain we are excited to see some new missionaries coming over with zeal and determination. Soon we will have the Justin Williams family here, and the Andersons are "setting the woods on fire" with our former work in London! We are thankful that the dollar has strengthened to the pound, so all of our finances are going further. We just march on!

London and Blackpool Joy!

The reports from our former work in London are exciting! Recently they had 118 for their Christmas service. They are looking to move their church to a beautiful new facility, and they want to use the old one for Pastor Bosco and the Urdu/Hindi fellowship. Eventually they want to start an Urdu/Hindi church, and then there would be two. Brother Tully in Brazil contacted me yesterday and had a wonderful report of God's goodness. I am looking forward to seeing them at Pastors' School and am thrilled that we had a part in their lives while they were with us in London. We just want the blessings to continue in this northern city with over 142,000 souls. Please go visit our new website at www.victoryministriesuk.org.

Some Sad News

Recently my wife miscarried our fourth child. It was a difficult time, and we would appreciate your prayers. We have used this tragedy to draw closer to God and to each other. I am thankful that I never have to worry about where our son is. We know that soon we will see him in Glory as we anticipate the coming of our Lord. Until that day, we have committed ourselves to serve Him more, and the "joy will come in the morning."

Lastly, thank you for your continued support during the times of difficulty. Even though the world struggles with the credit crunch, your prayers and support have faithfully continued. We are thrilled with your kindness and want you to know that we are eternally grateful. May God continue to bless you and yours in 2009!

Yours for souls,
