

April / May 2009

Dear Supporting Friends,

Thanks!

We can truly say that we are now plugged into our church in Blackpool! Folks told me that door-to-door work is not very effective here, but I can tell you, it works! Our church is steadily growing with people visiting nearly every week. **Since the beginning of 2009, 73 souls have trusted the Lord, and our attendance is climbing.** Your belief in us has made the difference, and we appreciate it.

Missions on the Mission Field

In April we held our first annual missions conference with Pastor Ron Jarvis, and it was a huge blessing. Many came through the week to show their support. The response was tremendous, and we are now in the position of taking on two missionaries. What a joy it is when we realize that the same church that was nearly closed down a year previously is now supporting missionaries. God is still on His throne!

Laboring Together

It sure is a blessing to watch our people get excited and involved in their church. The building is beautifully painted, and we have a nice flower garden to appeal to our community in a positive way. Brother and Mrs. Smith have been a tremendous asset to us. It is great to go out soul winning with Brother Smith. His help is always done in a spirit of humility. In a few short months, Mrs. Smith will help us to gather the neighborhood kids together for Vacation Bible School. It is our hope that many will hear the Gospel through this activity and also through many other events that we are putting forward.

Summer Is Here!

School is out, and our boys are enjoying their summer. Many adventures are being planned. This is a great area in the world in which to grow up. Right now we have five chickens and a hamster. Soon they will talk me into our first dog. Oh well, that's life! Thank you for your prayers and financial help, which make it possible to rebuild a church on a needy field. God bless you!

Yours for souls,
