Missionaries to Australia

March/April 2008

Dear Pastor and Friends,

God is so good all the time! Well, it is already April, and God has been so, so good. We have had such a great time traveling; we have been to some really good meetings and some great churches. It amazes me how God's people want to be used and how God uses His people to be such a blessing to this missionary.

It seems like just yesterday we were at Pastors' School, and this is the first time at Pastors' School that I actually forgot a few preachers' names! How embarrassing, especially when I think about how good these men of God have been to me and my family. It's a real shame not to be able to recall everyone at a moment's notice. I'm praying that my memory gets better as I age. This is my new number-one prayer request!

We are pleased to announce that five new churches in just the last two months have taken us on for support! God is working it out with our house. Praise the Lord! We have an offer, and I'd like to encourage all you folks to keep praying with us that it all goes through. This is the final step keeping us from full-time deputation.

I just want to praise the Lord because our van is running like it's brand new. We haven't had any more problems with the electrical, and so far while traveling, we've only had a couple minimal incidences with very minor damage. We were at a missions conference, and the road was ice covered. Some soul sideswiped our van. When I say sideswiped, it sounds really bad, but it only put a scratch on our van. A church member was behind us and saw that the accident wiped out the side of the other person's car. They never stopped. I just want to shout because it only dented my hubcap and scuffed the van. God is really, really good.

We had another close call when someone cut one of our locks off our trailer. It makes me laugh to think they moved my \$125.00 cordless drill to steal a \$68.00 jack. Isn't it wonderful how God protects us! The thief could have made off with most of my tools, a trailer hitch, and a lot of our clothing; but His hedge of protection was working well.

We would like to encourage all of you to keep praying for our schedule; it is filling up. Here are a few prayer requests we would like for you to keep in mind.

1. Souls to be saved in America and that God would soften America's heart towards the Gospel
2. Pastor and Mrs. Ueltzen – for the Lord to bless their health
