Dear Pastor and Church,

We are thrilled to report that we serve an amazing and awesome God. It is exciting to live by faith and see daily the way God works to meet our spiritual and physical needs. I was recently praying for a set of tires for our van that I knew we would need to pass our Pennsylvania safety inspection. God miraculously provided the money for the tires and also gave us a little extra, because He knew I would have to replace the rear-axle seals and brakes to pass inspection. Praise the Lord! He provided for all our needs as He always does. It is so wonderful to be in the center of God's will. Since our last prayer letter, we have presented our work to churches in Arkansas, Indiana, Iowa, Pennsylvania, and Texas. Praise the Lord that all our trips have been problem-free and uneventful. God has defiantly been very good to us.

Recently I was out soul winning in Pine Bluff, Arkansas, and I met a young man named Nathaniel who was working in his yard. I asked him about his eternal destination. He was quite sure he was going to Heaven because he had been baptized as a child. I immediately began to show him biblical proof that salvation is not of works but by faith in Jesus Christ. His countenance suddenly changed as a look of confusion and conviction came over his face, and he became greatly interested in what the Bible had to say about salvation. Once he realized he could not trust in anything but Jesus for his salvation, he gladly called upon the name of the Lord and got saved. Praise the Lord! Please pray that Nathaniel would grow spiritually and get grounded in the faith.

Please pray for our sending church, Harvest Baptist Church of Allentown, Pennsylvania. There is a possibility that the building they have been renting for the last three years may be sold, and they may need to find another place to meet. Please also pray for our safety and health and for our support level to increase, as we would like to get to the field by the end of this year. Thank you to all the churches that are supporting us through prayer and finances as we seek to do the Lord's will in reaching the Guyanese people with the Gospel of Jesus Christ.

Sincerely,
