September 2011

Dear Pastor and Praying Friends,

Praise God from whom all blessings flow! We are pleased to report that our God is awesome! Since our last prayer letter, we have presented our work to churches in New Jersey and Pennsylvania. God truly has taken care of our every need. One thing deputation has taught me is how good and generous our God truly is and how He always gives us exactly what we need to do His will.

I was recently out soul winning in Allentown, Pennsylvania, when I met an older African American woman named Willy Mae. She had grown up in a Baptist church in North Carolina but was currently not attending church at all. When I asked her about her relationship with Jesus Christ, I quickly learned she was trusting in her good works and baptism for her salvation and not Jesus Christ alone to take her to Heaven. I took my Bible and began to show her the truths found in God's Word, how salvation is not of works. Praise the Lord! She believed God's Word and got saved.

Some of our personal prayer requests would be, of course, to keep praying for our health and safety as we travel many miles each month. Please also pray specifically for our daughter Ruth. She has been diagnosed with a heart condition called pulmonary valve stenosis, which means that her pulmonary heart valve (it controls the blood flowing to the lungs) is not opening and closing properly. Her condition is mild at this time and is not affecting her development, but if it worsens she will need surgery to fix it. Please pray for God's complete healing. She has an appointment to be rechecked by the cardiologist in January. Please keep praying for our support to keep increasing, as it is my desire to be in New Amsterdam, Guyana, reaching the people whom God has called me to reach.

Thank you again to all the churches who are supporting our ministry through prayer and finances as we seek to do the Lord's will in reaching the Guyanese people with the Gospel of Jesus Christ.

Sincerely,

Isaac Hunsinger
Missionary to Guyana
