July – August 2010 Newsletter

Dear Friends and Supporters:

Back in Argentina

Praise the Lord! On the 29th of July we arrived back in Argentina. We took back with us 16 large army bags full of clothing. We also had seven carry-ons and two baby strollers. After four days of travel, we arrived back in Tucuman, Argentina. All of our luggage arrived safely, and we were glad to be home at last with our people. Praise the Lord!

We are glad to be back in Argentina. The church gave us a humongous welcome on Sunday, August 1st. The church was packed full even though it was a cold winter day and part of the auditorium under construction was exposed to the cold winter air. The people love us here and hugged us and were happy to see us again.

Before we left the United States, I was able to mail 24 boxes of supplies to Argentina. All these boxes have arrived in perfect condition. Thank you for helping us mail these boxes. I sent out a plea for help in mailing these boxes. Each box cost \$55 to mail to Argentina. Over \$1320 came in for mailing these boxes. Thank you for all your love and help with this need. These were boxes of supplies that included Gospel tracts, Spanish Bibles, DVDs and teaching material for our Bible college, and books for homeschooling of our children. Thank you for your prayers!

So far in the last 30 days, I have been able to teach in our Bible college for a week, work on a church bus route, work in the Cry of Hope ministry for the addicted, seen souls saved, and spent a lot of time looking for a house for our family. We currently are renting the house where we live. The house where we live has three bedrooms and a backyard. The house is 1,000 square feet. It is small for our family of seven. Our landlord has been increasing our rent 20% every year for the last seven years. Our support has decreased in the last two years, and the dollar here in Argentina has lost 30% of its value. We are forced to move out of our rented house and move into something that we can afford. Our desire and goal is to purchase a house or land on which to build a house. The average cost for land is US\$50,000. The average price for a house to accommodate our family would be US\$100,000 to US\$180,000. To purchase a house, we need down payment of 30%. Please pray that God will give us wisdom as far as what to do about our housing situation.

Pray for Argentina! This country is heavy on my heart. We need to establish more churches and go forward in reaching this country for Christ! It can be done! It must be done! May God bless you richly!

For souls, Brian Roy George and Family
