

The Hoffman Family

Your Missionaries in *South Korea*

Mi Suk

The Lord has blessed me with the greatest wife in the world! She spent 12 years homeschooling Samuel and Daniel with as much discipline and schedule as any traditional school. Little did we know, but that was only the start of her educational ministry!

Mi Suk teaches the first and second grade at Charity Christian Academy. I call her the “Master.” She is absolutely phenomenal with the young children. A few of her students would have been placed in special education classes in a traditional school; but she has used love, motivation, and discipline to literally transform them. She says, “With enough love, virtually every child can be changed.”

Mi Suk also runs a Junior Church program for ages four through second grade by herself. It is amazing to watch her maintain complete control over 35-50 children in an environment of discipline and love. She often has a new child “deposited” in her class that is screaming and crying like their fingernails are being plucked out with pliers! But by the end of the class, the same child does not want to leave her. She is the “Master,” but she is also my Queen!

Barry

My responsibilities with the church keep me very busy. The church and school have a staff/team of eight full-time and five part-time members. I recently became the middle school physical education teacher. My P.E. class is different than the average. I am working on the physical strength and well-being of the students, while also working on their character and mind-set. I am incorporating many things from my military background to train soldiers for the cross.

Thank You

We are very grateful for your faithful support over the years. The little boys we brought to your church have grown into fine Christian men. The Lord has taken the inexperienced missionary couple that visited your church and has radically changed our lives. Thank you for believing in us and giving us the opportunity to represent you in Korea. I pray that the Lord will continue to use us as a team to reach many souls with the Gospel. Thank you and may the Lord richly bless you.

Sincerely,

The Hoffman Family
