Dear Praying Friends,

Church Report

You have probably heard about Korea a little more in the news in the last few weeks. North Korea is making a lot of “noise” these days, but not many people here are too worried. Of course, only the Lord knows what the future holds for Korea; therefore, we plan to just keep doing what we have been doing for the past 10 years.

Since our last letter, 63 people have been saved, and 8 have been baptized. The church attendance rose to 295 as a result of a special emphasis on the children’s Sunday school.

This month we ordained Jae Keun Park as an associate pastor. Pastor Park has been on staff for one year, during which time he completed a customized master’s program at Golden State Baptist College in Santa Clara, California. He is also the principal of Charity Christian Academy.

School Report

Charity Christian Academy is expanding. We just recently acquired more classroom space and have now begun a major construction project. Our building is too small for church expansion, but the layout is perfect for a school. The current plan is to keep the school at this location and then move the church at a later time.

The end of August begins the second semester of the school year in Korea. Therefore, we will use this opportunity to completely reorganize our K-5 program. We will change from primary Korean instruction with a heavy emphasis on English to primary English instruction with some instruction in Korean. This will help our students as they progress to first grade.

Thank You for Your Investment

We are very grateful for your continued faithful support and prayers for the work in Korea. May the Lord richly bless you for your investments. God bless you.

Sincerely,

The Hoffman Family
