

The Amorós Family

Missionaries to the Dominican Republic

June – July 2008

Dear Pastor and Brethren:

For my family and me, it is always great joy and happiness to be able to communicate with each one of you, to make you a participant of the blessings, goals, and also the battles that are part of the great ministry of our Lord Jesus Christ.

After my greetings toward you, I would like to share with you what I think has been the greatest demonstration, until now, of the power of God in the 6 years of our church. On Friday, June 6, we went soul winning to the Pedregal Highest. This is a very humble area that is very close to our church. That night 35 people were saved. The next Sunday morning, God glorified Himself in a very special way; 25 of those 35 people came to church for the first time. We had never had such a positive answer in our time here in the Dominican Republic. Because of this, we started a new route in this area. More than 60 people have been saved in the past 2 months, and 4 have been baptized for the glory of God.

The brethren have kept the faith, even more so now that they are seeing a good result for their evangelistic efforts. We are trying to do a good follow-up on the new converts to help them remain and grow in the grace of God.

Due to the need for space that we have right now, we have started to pray for a two-story building which is for sale close to the church. We could easily seat more than 200 people on the second floor. The first floor has a lot of separate rooms for Sunday school classes, nursery, etc. The most important thing, though, is that it is located in the same area where we are right now, which is convenient for ministry growth. The only problem (humanly speaking) is that the owner told me that she is selling it along with the property that is beside the building, and she wants US\$325,000.00 for both of them. I offered her US\$150,000.00 just for the building, but she doesn't want to sell them separately. Please help us pray that the Lord would open doors in our favor, that the properties could be sold separately, and that we could get the US\$150,000.00 for the building. Without a doubt, this facility could help us keep growing.

The goal of serving God is big, for the great need of a world that lives in the mud of sin. Each one of you is an inspiration to us because of your spiritual help and identification for the cause of our great God. Thank you for keeping us in your prayers.

Prayer Requests:

1. Please pray for the new converts, for them to stay in church, and for their spiritual growth.
2. Pray for the building that is for sale in front of the church, that the Lord would open doors and supply the money to buy it.
3. Pray for the Lord's protection on us during the hurricane season.
4. Pray for my wife's health.
5. Pray for our son Endhy at Hyles-Anderson College.
