Dear Pastors, Supporting Churches, and Praying Friends and Family,

This month we rejoice in seeing **six precious souls saved** and **three new converts baptized to date**—we're not finished yet! We are looking forward to more harvesting and baptizing others this fall.

We are planning some special Gospel outreach services at our church this fall, such as our *International Dinner*, *Thanksgiving Dinner*, and *Veterans' Appreciation*. Please pray that we would see more souls saved.

We are working, sowing, praying, and expecting God to do great things! We have started a *Chinese Bible Class* and a *New Converts' Class* on Sunday mornings. We are doing everything we possibly can to mentor, teach, train, and disciple the group of people that we do have, so that we can develop a solid base of spiritual and servant-hearted people. We know it takes patience and prayer, but we are pressing forward!

Our *Summer of Sowing* has rolled over into our *Fruitful Fall Outreach* and we are continuing our *Great Commission Training Meetings* on Saturday mornings to help our people to become effective soul winners.

Very soon you should be receiving a DVD in the mail from us. Please watch for it. **I believe it will be unlike anything else you have ever received from a missionary.** It includes six different videos that can be viewed individually or all together if you like. It includes a **ministry update** just over seven minutes, a **family update** less than three minutes, **my vision** for a Toronto Missions Ministry Team, **my burden** for church planting, **pastor's recommendations**, and **my testimony**. I really hope and pray that you will take the time to watch this and also show some of it to your people in your regular church services or missions conference.

I believe your people will be **encouraged** by the ministry update, **challenged** in the area of stewardship and surrender, and **thankful** for having had a part in giving to support world missions. The DVD stirs me up every time I watch it; it gave my wife goose bumps when she watched it; **and I beg you to please watch it and show it to your people!** Thank you so much for your prayers and support for our family and ministry.

Brian and Rachel Johnston and Family
