

December 2009

Dear Pastor and Friends,

We trust that you have had a blessed holiday season and are excited by the prospects of a fresh new year. We are grateful for the Lord's many blessings as we continue our journey towards India.

We started the month off with a good meeting where the pastor and people had a real heart for missionaries. We pray that we will never forget those that will "hold the ropes" for us in India with their prayer and finances. Truly we are "...labourers together with God..." (1 Corinthians 3:9)

We were able to enjoy one last Christmas with our children and their families all together, a tribe now numbering 14 souls. Lord willing, next Christmas will have us in India with temperatures around 80°F and no need for snow shovels!

We are thankful to those who have joined us financially, causing our support level rise to 32%. Please pray as we continue promoting missions, preaching the Word, and winning souls in 2010.

As many of you know, we are grieving the passing of Dr. Doug Kalapp on December 29th. A hero of the Faith has gone Home, leaving behind him a legacy of faith. He was a catalyst God used to send missionaries all over the world, resulting in thousands of souls being saved. His love, preaching, and leadership will be sorely missed. Please pray for Mrs. Karen Kalapp and their four children as they go on serving the Lord without him . . . for a while.

The Homegoing of our friend has reminded us again of the urgency of getting the Gospel to those here and in India. Thank you for what you are doing to serve the Lord Jesus in your "Jerusalem" and for helping us to do the same "unto the uttermost part of the earth."

Yours for the souls of India,

Scott Christiansen
