May – June 2010

Dear Pastor and Praying Friends,

God has been good to our family, as you can see from the following list of blessings from the last two months:

- Our team gathered for a departure orientation day followed by our commissioning service on May 16th at First Baptist Church in Hammond, Indiana.
- Five of our team families are now safely in the Philippines, including our daughter and her husband.
- We were in great meetings and conferences in Ohio, Michigan, and Indiana.
- We gathered with other FBMI missionaries for our annual Candidate School for a week in June.
- We were interviewed on the air at two different Christian radio stations.
- We have seen 14 saved in personal soul winning since our last prayer letter.
- Our promised support level is now at 62%.

While raising support, we have been blessed by great preaching, music, and meeting some believers with wonderful testimonies. One dear young lady we stayed with has continued to love God even though her husband and three teen members of her church were killed in a tragic car accident—while she was expecting their first child. She encouraged us by her desire to be a blessing to missionaries and her church family.

With the Chad Vest family in Gaylord, Michigan

One Saturday while out bus calling with Chad Vest (school administrator and son of missionary Charlie Vest), we met Jessica. We found her at work, caring for adults with special needs. As we spoke with her, she listened intently to the Gospel and was sweetly saved.

As we continue to encourage churches in soul winning and missions, please pray for our safety, for the Holy Spirit's power in soul winning, and for churches to take us on for support that we may be with the rest of our team by the end of the year.

Yours for the souls of Asia,

Scott Christiansen
