12½ inches of snow in Fort Worth, Texas!

Dear Pastor and Friends,

January and February saw us traveling to churches in the states of Indiana, Tennessee, Texas, Mississippi, and Alabama. The snow seemed to follow us, as we saw significant snowstorms in Memphis and Fort Worth. However, we were able to get a taste of spring, as we enjoyed soul winning without having to wear a coat!

We appreciate the kindness of God's people in our travels. Thank you to those who have invited us into your homes, services, and schedules and made us "family" for a few days. Thank you for the housing, meals, offerings, and gifts given to us. The sacrifices of

many make the service of missionaries possible, and we thank our God *"upon every remembrance of you."* (Philippians 1:3)

We have good news to report as far as our support level. New churches have voted to take us on for financial support, and the promised amounts now total 54%. We look forward to the Lord providing others who will join these so we can get to the needy field of India before this year's end. We also praise the Lord for the 12 souls our family saw saved along with others saved as we were "silent partners," helping to train others to reach the lost.

Please pray with us that we will be a blessing to pastors and churches as we promote the cause of the Great Commission and enlist those who will pray for the needy field of India. Pray for God's power and wisdom for all those on the India Team as preparations are made for departure and beginning our ministry in one of the world's largest fields.

So much needs to be done, and Satan will fight us every step of the way. But as one preacher said, "God's part is to put forth power; our part is to put forth faith." May the Lord bless you all in reaching your communities as you enable us to reach out to a far corner of the world.
