August 2011

Dear Praying Friends,

Our summer was full, just as we had expected. Churches in New York and New Jersey hosted us for missions-emphasis Sundays and encouraged us by their spiritually and numerically growing congregations. We were also honored to have a part in the 100-plus souls who were saved at Hoosier Hills Baptist Camp during this camp season!

July 31 was the first service of the new church plant by the Thailand Team. Through prayer, hard work, and help from their faithful church members, First Baptist Church of Pathumthani had 52 saved and 27 baptized on the first day. Praise the Lord for the miraculous work He is doing there in Thailand.

The Lord has graciously provided **62%** of our financial support through your sacrifices for His Great Commission. As we prepare to join the team in the upcoming year, we continue to ask for your prayers and to thank you for your support.

For His glory,

Daniel and Heidi Boles
