Dear Praying Friends,

We are thrilled to have the opportunity to reach the people of Thailand. The Apostle Paul said it well in I Thessalonians 2:4, “. . . we were allowed of God to be put in trust with the gospel, even so we speak; not as pleasing men, but God, which trieth our hearts.”

At the beginning of June, I injured the meniscus in my right knee, which required outpatient surgery at the end of July. We are thankful that the surgery did not greatly interfere with our travelling schedule, although the recovery was not as quick and simple as we had expected. I am almost fully recovered and am ready for the conference-filled fall season.

Thank you for your continued prayers for our safety, for our support, for our soul winning, and for spiritual power as we travel. Some answers to prayer that we have had this month are:

- *Our support has increased to 70%.*
- *Friends have offered to fill some storage and shipping needs.*
- *My knee has healed in good timing.*

We anticipate being able to purchase our tickets and be on our way to winning the Thai people with the Gospel. This month we have begun preparing what we will be taking with us to Thailand when we leave. Please pray that the Lord will give us wisdom in this area. We rejoice that the Lord is using you to partner with us to take His name to the uttermost parts of the earth.

For His glory,

Daniel Boles
