Preschool Graduation

College Graduation

Dear Pastor and Praying Friends,

Souls That Went To be With the Lord: In my previous letter, I shared a story about a retired policeman that I led to the Lord. Two weeks after that, he went to be with the Lord. I was excited knowing he was now in Heaven. There was also another lady that died, and the family gave me the honor of giving a Bible study at their house and preaching the funeral service. There were a lot of people there. We had over 150 people receive Christ during the Bible study and the funeral service. Glory to God!

Valentine Banquet and Service: We had our Valentine Banquet and service on February 15th. My wife, along with our ladies in the church, decorated and prepared the banquet room. They also made some souvenirs to give away to all the couples that attended. There were about 75 couples, including 7 first-time couples. We had 15 saved that day. Everyone enjoyed the fellowship and the food we prepared. We also took pictures and gave away 8x10 pictures the next Sunday. The adult couples felt special with the formal dining; it was a first-time experience for some of them. Glory to God!

Graduation Day: March 15th was our graduation day for both preschool and college. We had 8 college students and 3 preschoolers that graduated. Unsaved parents of our students came to attend the graduation. We had 12 people saved that day; most were parents and relatives of our Bible college students. Please pray that God will work in the hearts of these graduates to start churches and become fruitful in the ministry. J.P. and Ashley got awards for their achievements in school too. They were both grateful and proud of their hard work that was rewarded. Thank God for the Bible college and Christian academy!

New Life Baptist Church's 10th Anniversary: One of our outreach churches celebrated their 10-year anniversary. They had a goal of 250, and God gave them 269 people with 59 saved. It is such a blessing to see this church growing and still moving forward for the Lord. Before their anniversary Sunday, one of their members died, and they had also opportunity of doing a Bible study. There were a lot of people that accepted Christ during the Bible studies they conducted. I thank God for these faithful pastors who work hard and labor for the Lord.

Vacation Bible School: In about a week from now, we will be starting our Vacation Bible School Seminar. This is an activity the children always look forward to every summer. We are planning to send workers to places we haven't been to in past years. Please pray with us as we reach these little children for the Lord. Our workers need extra strength and good health as summertime is just so hot here; we work in temperatures over 100°F. Pray that God will give us all strength and extra energy so we can accomplish things for the Lord.

Project: This summer I am planning to renovate one of our buildings. Please pray with me that God will supply the needed amount for this project. It would take a lot of money, but God will surely supply the needed amount for His work. We need a lot of help with the building project and are praying that the members will get involved in some way. I just want to thank all of you who are praying for us unceasingly. You have a great part in the work we have for the Lord here in the Philippines. God bless us all in reaching souls for His glory!

That all the world may know,

Sam Heidenreich
