Missionaries to the Azore Islands of Portugal

Arthur Prayer Letter Jan - Feb 2009

With Heartfelt Gratitude

I would like to thank every child who has given their dollar bills and quarters to missions. I would like to thank every hardworking man and woman who has sacrificed and given in order that we may go and tell. Your giving had a part in the over 200 souls that came to Christ during our four-month stay in Jamaica. Thank you for making it possible to help these dear Jamaican people. I also would like to thank my pastor, Dr. Jack Schaap, and my mission pastor, Bro. Darrell Moore, for asking us to go to the Fundamental Baptist Church during Pastor Kimmel's medical furlough.

Our Last Service in Jamaica

On February 1, 2009, we went to our last Sunday service in Jamaica; 121 people came to church that day. Pastor Kimmel gave the people an opportunity to testify, and the outpouring of love was absolutely overwhelming. One lady named Anna-Kay told of her skepticism of a white man coming to her town, but she soon realized that we were real and genuinely loved her family. She thanked God that we had come. Several young men came and hugged my neck after thanking my family for coming and caring. Pierce, a young man who had been in gang trouble, gave his life to the Lord and started leading singing and gathering people for church on Sunday mornings. He had tears in his eyes as we said our goodbyes. God's love has such an impact on people. Thank you for making this possible.

Please Pray With Us

We have almost all of our support raised and are nearing our departure from the States. Please pray with us as we make final preparations. We would like you to join us in prayer for the following needs:

- Airfare for our family of 7 (\$3500)
- Finances for shipping a container (\$4200)
- A home that will be conducive to home school

Please pray about helping us with the expenses of moving our family to Portugal. We appreciate your prayers and your financial help in these matters.
