

February 2014

Dear Praying Friends,

We just returned to China after a productive, five-week visit to America. During the trip we visited our family and twelve churches in Illinois, Maine, Rhode Island, New York, Tennessee, Wisconsin, and Indiana. We were very glad to see our family and friends and thankful to meet so many new friends along the way!

Thank you to everyone who helped make our trip so successful and enjoyable! Our Father was very good to us throughout the trip, and we felt His love in every gift, act of kindness, and thoughtful comment!

Although we were happy to visit America, we were even happier to return home to the place our Father wants us: China!

Sincerely yours,
