January 2014

Much Thanks!

This month we will celebrate one year that we have been in Thailand as missionaries. It has been indescribably life-changing. The Thai people, along with their culture, have opened our eyes to the world and the desperate need it has for Christ.

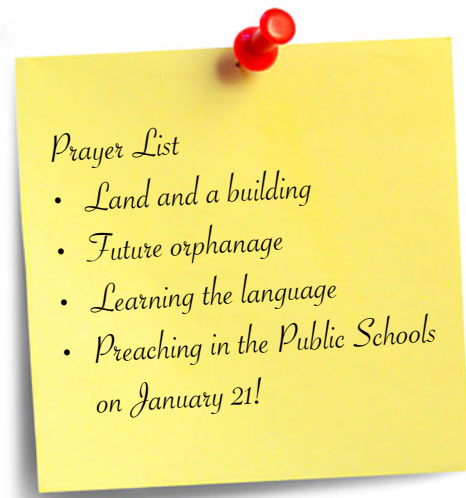

We would like to begin by giving thanks to all of our supporting churches. It has been so humbling to watch the consistency in giving of God's people. Every day we live here, we are reminded that we could not be here if it were not for you and the vision of your pastors to get the Gospel to the people of Thailand.

Next we would like to thank Pastor Brad Cranston and Heritage Baptist Church in Burlington, Iowa, for helping us purchase our first vehicle in Thailand. We were able to purchase a small, three-year-old Toyota pickup truck for a tremendous price, and Heritage Baptist donated the money for the down payment. What a blessing it is to finally have transportation and to have such a practical vehicle for the ministry here.

We would also like to thank Pastor Steve Hobbins and Lewis Avenue Baptist Church in Temperance, Michigan, for their Christmas offering. What a huge boost during an expensive time of year!

This last month was extremely hectic in preparing for Christmas Sunday. We planned for 300 people but expected around 200. The final count was 310 people. We read the Christmas story, fed everyone a really nice dinner, and gave everyone a gift. It was maybe the most exciting event we have been a part of this year.

We hope you all had a terrific Christmas and a Happy New Year!
