

## Half a Year In Thailand, To God Be The Glory!

Can you believe it has been six months since you sent us to Thailand? What an amazing time it has been for us as we have adapted to our new home.

We have started a Youth Program, a Junior Church, and helped our church with its new ministry, Sunday English.

Kristi and I have had 80 Thai people accept Jesus Christ over these six months in our door-to-door soul winning. Over 150 children have been saved under my preaching during Junior Church.

Kristi and I are picking up the Thai language slowly but surely. We are attending a Thai school twice a week!

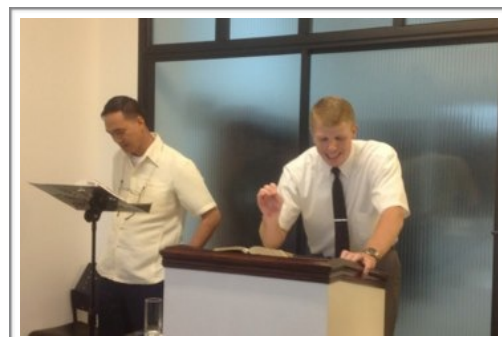

Kristi is seven months along with our second child Kelsey Joy. She is due at the end of August.

We would like to thank all of you who have given us the opportunity to serve God in this amazing country! Our hearts have been knit to the people here, and they have received us so well. Being a part of this missions team is such a blessing! We are more than just a team: we have become as close as family.

We think of you all often and thank God for each of you! What an awesome time we had meeting so many of you on deputation. Until next time, we love you! Thank you for your support!
