

## Easter Sunday and Steady Growth

### PRAY WITH US

- We have decided to hold off on buying a vehicle. Please pray for wisdom as we save and look for the right car.
- Please pray as we continue to raise money for language school.
- Please pray for the health of Kristi and our second child due August 27!
- Please pray for our team as we look for land to build on. We have outgrown our current building.

I must begin by telling you about our big day on Easter Sunday. Our Sunday morning attendance was 101, the second highest day at our church in Hua Hin. We had 8 first-time adult visitors, and 6 of them got saved! In all, we had 18 saved and 11 baptized. We had a treasure hunt with over 250 prizes. It was such a special day!

Kristi and I were able to see 16 people trust Jesus Christ as Saviour while out soul winning! It is one of our favorite things to do in the ministry here. Many of the people here are so confused when it comes to eternity, God, and His redemptive plan! They are so interested in the fact that someone claims to know these things. The Holy Spirit opens hearts every week; what a joy to be the messenger.

Last week I met a couple named Selah and Gamone. They are our age, and they have one child who is our daughter's age. Immediately we hit it off, and after 40 minutes of in-depth teaching, both of them asked Christ to save them. Kristi and I went back to talk to them several days later! Gamone told Kristi that she really missed us and cannot wait to come to church with us. She told us that she and her husband have been through a lot of hard times, and she wonders if God can help her. The two of us left there with so much excitement! What a huge blessing it is to serve God together as a family!

Thank you all for your prayers! Our church grows steadily almost every week. We just love being here and wish you all could get to see the great work God has planted here! We miss you terribly but wouldn't leave here for anything!

Family of 9 fit on a bike and side car!

Singing with a full crowd in Junior Church!

We took a day and drove to Prachuap about an hour from our home.
