

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Praying Friends,

June 2014

Summer is upon us, and it seems like 2014 is moving too fast! You know what they say, “Time flies when you are having fun!” With every new opportunity God gives us, it seems like the days speed up and time is fleeting away. God has been so good to us in the recent months to again open more doors of opportunity. Here are brief snippets of what God is doing through CMI.

### **India Broadcast Launched in April**

We launched our first broadcast in April on Velugu TV that has a potential coverage area of most of India, which we are told has a potential viewership of over 800 million people. We have partnered with Justus Banuel, Anand Kumar, and Charles Blackstock to use their preaching all over India. Please pray, as this is a closed country.

### **Christian Media Institute**

We had our first Christian Media Institute in Mokena, Illinois, and due to its success, we are holding another institute at our studio in Dawsonville, Georgia, just north of Atlanta on August 28. Please pray as we try to equip churches to use media wisely and effectively for the cause of Christ!

### **Pastor Bill McSpadden**

We are currently helping Pastor Bill McSpadden in Rochester, Indiana, produce a 30-minute television program to reach his area for Christ.

### **Reformers Unanimous**

We are currently working with Pastor Paul Kingsbury and Ben Burks to establish a 30-minute weekly program to go out all over the U.S. to help the addicted.

### **Honduras Television Station**

I will be taking a group to Honduras on July 3 to complete the television station down there. Please pray that all goes well. When this television station is up and running, it will have the potential to reach all of Honduras 24 hours per day.

### **Swahili Programs Done**

Bro. Jerry Wyatt from Tanzania spent two weeks in our studio producing programs in Swahili. These programs will be airing in four African countries starting in June. Please pray that this program will reach millions of people!

### **Support**

Currently we have about 35% of the support we need. If you know of any missions conferences or churches looking for great opportunities, please let us know!

God bless,
