Dear Praying Churches and Friends,

Recently I read a news article stating Islamic Sharia law is now an acceptable means to govern in the United Kingdom. As I read this article and watch as Parliament gives away the freedom of the English to a law system that will help nurture strife, division, and a vengeful spirit that will hurt families and lives, my mind reflects on what England used to be generations ago. Men like Hudson Taylor, David Livingston, Charles Spurgeon, John Wesley, and many others thundered the Gospel across English shores to the uttermost parts of the world. The topic for the week wasn't the "gloom" of society, but rather what the pastor preached that Sunday. Families were strong. Men were surrendering their lives to take the Gospel to another village, another city, or another people. Much happened to the glory of God, but this is not the England of today. Churches are closing to become mosques, bars, apartment buildings, and much more. England needs Jesus! Men need to be trained, churches need to be started, and the Gospel must be preached again!

While at Shenandoah Bible Baptist Church in Martinsburg, West Virginia, we were able to go soul winning with several involved in their thriving Bus Ministry. On our very first stop, we were able to see 6 souls saved! We told them about baptism, and the next day 4 of them were baptized!

We were in Pennsylvania for a meeting and went soul winning with the church. A lady named Shayla was sitting on her porch and was very open to the Gospel. She listened carefully to the death, burial, and resurrection of Jesus Christ. She readily received Christ as her Saviour! Please pray that Shayla would follow the Lord in baptism and get grounded in the Word of God.

We have an updated video presentation now available if you would like to present it to your church. It may be viewed and/or downloaded from our website: www.williamstoengland.com.

Thank you for faithfully praying and standing behind us financially! A couple of churches have taken us on for support these past couple of months, and we are excited to partner with you to reach the world with the Gospel. Continue praying that God would raise the additional support we need to enable us to return to the England.

Yours for the souls of England,

Justin, Holly, David, Jonathan, and Nathan Williams
