

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

October 14, 2014

Dear Praying Friends,

This letter is long overdue, and I apologize for not sending it sooner. God has shown Himself powerful over the past few months through our family. Primarily, we serve the FBMI missionaries in Africa and Europe, but it has been our pleasure to serve missionaries in many countries around the world. I have the privilege of teaching prospective missionaries in the Missions Program at Hyles-Anderson College, helping them during their deputation upon graduation, and assisting them when they get to the field.

What a time I had serving the Lord, missionaries, and national pastors and workers in Africa during about three weeks in June and July! Thank you for praying. We took the journey from Chicago through London, then through South Africa into Zambia. Our team consisted of Pastor Darrell Hurst of Williamsburg, Kentucky, a college student from Crown College, and two college students from Hyles-Anderson College.

During our trip, I got to help preach an all-night youth rally, teach a new converts' class, teach another adult class, preach one of the main services, go soul winning, and lead 2 adult Bible studies at Missionary Justin Warner's work in Livingstone. That was all in Zambia. Then we went 6 hours into Zimbabwe by bus. We held a 3-day Bible conference on the Bible, soul winning, discipleship, and church planting. The Holy Spirit worked mightily during every session and preaching opportunity. **About 10 pastors committed to starting another church in the next year, and one of the pastors said that his goal was to start 3-4 churches in the next year.** Please pray that God would use these men and their families to reach many Zimbabweans for Christ.

God has also blessed in our personal soul winning. Recently a friend of mine gave me an address of a family that was possibly interested in our church. Upon arriving at his house, Earl let me in, and I had the thrill of leading him to the Lord. The next day he, his two sons, a daughter-in-law, and his daughter all came to church. The following Saturday I was able to lead one of Earl's two sons to Christ, and just a week ago, my daughter Katie led his daughter to Christ during the invitation of the morning service. Please pray that this family will grow in grace and in their knowledge of Christ.

Thank you for allowing us to serve you as we serve Him!

For His glory,

Jeremy Snipes
