September/October 2014

Dear Praying Churches and Friends,

This fall has found us doing one main thing—traveling! My family and I have been in 17 states in just under 8 weeks' time. God has brought us safely to each meeting and has kept my family in good spirits. It is amazing how the Lord equips a family, and God has graciously given me a family that travels well. We long to be home in England again, but until the Lord allows our return, we have been blessed with great traveling mercies.

As we travel, we do try to work it out in between meetings to stop by family, in particular, and spend time with our loved ones. On one occasion this fall, we had an unexpected change in our schedule. We wondered why at first until Holly received a message. Earlier this year Holly was able to visit her grandfather who had been diagnosed with cancer. He was not saved, and she was able to witness to him. Her grandfather got saved! Just as we received the news of our schedule change, we also received news that Holly's grandfather had passed away. The Lord, in His perfect timing and way, allowed Holly to be part of the funeral by way of the changed schedule. Please pray for Holly's family; pray that the Lord would use this to see more of them saved.

Here are some prayer requests:

- Holly and the baby during this pregnancy
- Our support—we currently need to raise about \$1000 more a month. We'd like to thank the churches that we've been with on furlough for allowing us to come and are praying for the means to support our family and others. We are praying for each of our supporting churches and families, and we thank each of you who sacrifice to help our family return to England. Thank you for your love for us and souls in England.
- Souls saved
- Wisdom as we make arrangements to return to England next year

As you prepare for a holiday season with your family and friends, please know that we'll be praying for you and trust that you will have a happy Thanksgiving, a merry Christmas, and a happy New Year. As this festive time of the year closes 2014, may the Lord renew your strength and give you a memorable time as we celebrate what the Lord has done for us!

Yours for the souls of England,

Justin, Holly, David, Jonathan, Nathan, and ????? Williams
