Dear Pastors and Friends,

*“In him was life; and the life was the light of men.” (John 1:4)*

What an awesome statement: *“IN HIM WAS LIFE; AND THE LIFE WAS THE LIGHT OF MEN.”* At this time of the year, we are celebrating the coming of Christ, the coming of the Light of men. This verse encourages me to let my light shine in the darkness, but that light is not my own—it is HIS! We hope you and your families have a Light-filled Merry Christmas and Happy New Year!

We have been so busy after the opening of the restaurant. Time has gone by so quickly that I lost track of the time, and now it is almost Christmas. I am so happy to let you know we have seen 3 come to trust in Christ because of the opening of the restaurant. We have also met many new Christians who did not have a good church, and after I told them about ours, some of them came to visit. One family came to see how it was, and now the whole family is coming every week!

We are now preparing to have three to five Christmas parties in the next few weeks. Christmas has always been an awesome time to share the GOOD NEWS! I will let you know the results in the next letter.

Our sending-church pastor and his wife came to visit us. Their visit was such a blessing and encouragement to our family. After showing them the work here, we were able to go with them to two other cities. They really had a wonderful time here, seeing the different sights and the works we have been involved in.

My wife is doing really well with her health; please continue to pray for her. Our oldest daughter was struggling a bit with her schooling, but she is doing much better now. Our youngest is doing very well in school. Please continue to pray for God’s continued grace and blessings on our lives and work here in China!

Thank you for your continued support and faithfulness!
