

Dear Praying Friends,

December – February 2015

Children truly are a blessing from the Lord. We are excited to announce the arrival of our third blessing. Jacob Benjamin Martinez was born January 30, 2015, at 2:03 p.m., weighing 7 pounds 14 ounces. My wife and Jacob are doing well. Thank you for your prayers.

Before Jacob was born, we were privileged to spend the holidays with family and see great friends.

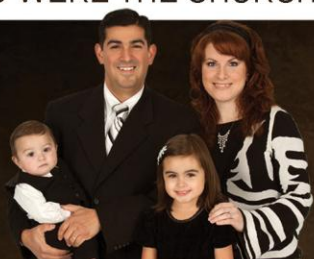

We are grateful that God is not only blessing our time here in the States but also blessing our ministry back in Peru. Please continue to pray for our church in Surco, as my brother-in-law is overseeing it. The attendance has been growing, and God has opened up a door for a new location about 10 minutes away. The new location is much bigger and, of course, more expensive. However, the church voted unanimously to take on, by faith, this great opportunity. They were able to have their first service a few weeks ago. It was a great day with a good attendance and people saved. Also, on this first day in the new location, it was a privilege to have Bro. Jeremy Snipes as a guest speaker. Praise the Lord for the growth of our church. We look forward to what God will continue to do.

Thank you for your prayers and support.
