

THE TOSSELL FAMILY

telling the people Down Under about Him Who dwells on high

June 5, 2013

Dear Prayer Partners,

We are so thankful for the grace of God. We are not what we ought to be, nor as faithful as we should be, yet God remains faithful. He is worthy of our praise.

Praise the Lord that the Iranian Moslem father of one of our men raised his hand for salvation on Sunday. I will visit him tomorrow night, so please do pray for him. We have been praying for him for a long time.

Would you please pray with us for revival to take place in our midst? We praise God for souls that have been saved and lives that have been touched recently, but there is so much more work to be done! There are 500,000 souls that live within 20 minutes of our church, and so many are without the saving grace of God.

Under this general theme of revival, please pray for the following:

- The power of God to be upon my teaching, preaching, and witnessing
- God's hand of blessing and protection upon my family
- Spiritual revival and growth among our members
- Increase of our evening services
- More laborers, both for soul winning and for church work
- Increased giving, both for our ministry and foreign missions
- A spirit of prayer to prevail among our people
- Personal holiness and consecration
- A passion for God in our congregation—that we would return to our first love

I am so very grateful for your prayers for Christina; her health is stable, but we still have some significant concerns. Please pray also for Adam, that we would have wisdom and grace to train him up for the Lord. Thank you so much.

Please check out our website as you have the opportunity: www.lhbc.org.au

By His grace,

Mark, Christina, and Adam Tossell
