telling the people Down Under about Him Who dwells on high

October 24, 2013

Dear Fellow Laborers,

Thank you for your faithful prayers. It has been a busy few months!

## Blessings:

- Four people were recently baptized, including our son Adam.
- People have been saved out soul winning on a regular basis.
- We frequently have visitors on Sundays.
- We had a wonderful missions conference with Dr. Mike Cox.
- God truly blessed the special meetings with Evangelist Chris Stansell.
- Our new Ladies' Fellowship meetings are doing well.

## Family:

- Christina's health is stable at the moment, thank God.
- Adam is doing well at school and asks many questions about the Lord.
- My health is good, praise the Lord, except for insomnia.

## Prayer:

- Pray for the power and blessing of God to be upon His work here.
- Pray for young Australian men to give their lives to the work of God.
- Pray for my sister Nichola, as she is suffering with some health problems.
- Pray for God to resolve a large financial burden that has come upon us.
- Pray for our church anniversary (November 17) and Youth Camp (January).

By His grace,

Mark, Christina, and Adam Tossell
