Dear Praying Friends,

February/March 2015

Thank you so much for all your love, prayers, and support that are helping us reach precious souls with the Gospel of the Lord Jesus Christ. We are truly blessed and so grateful for all your generosity.

The Lord really blessed in an evangelistic campaign I had for almost two months in Southeast Mexico, with around 3,000 people saved. To God be all the glory! I was able to work with many different Baptist churches, and through this evangelistic outreach and also teaching and preaching in these churches, many Christians were stirred and motivated to be more effective soul winners and do all they could to reach precious souls with the Gospel of Christ before it is too late. I hope and pray we will see a greater harvest of souls through these great churches in the future.

Also in an evangelistic campaign in Queretaro and surrounding cities, we were able to give the Gospel to thousands of people. We went to public schools as the students were getting out of school, and we handed out thousands of tracts. We also held evangelistic Bible Clubs in many neighborhoods, parks, and public places, preaching to literally thousands of people. With the results reported from the churches, there were well over 2,000 people who came to know Christ through this campaign.

My heart is truly thrilled with these great victories we had with over 5,000 souls saved. Oh, praise the Lord for the great things He has done! But, to be quite honest, my heart is also very broken and burdened with the thought of the over 100 million people in Mexico and how many millions are on their way to Hell. But also we think of the over 7 billion people in the world and how many don't know Christ as their Saviour. Oh, let's pray fervently that God will send more laborers into His harvest here in Mexico and around the world.

Wow! Surely the fields are white unto harvest, and we truly could not do what we are doing without precious folks like you working with us through your love, prayers, and support to reach these precious souls. Please pray that God would use us in a greater way to see more souls saved for the glory and honor of the Lord Jesus Christ.

Yours for souls,

Darrell Ratcliff
