

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

April 17, 2015

Dear Praying Friends,

What a grand time our family is having serving the Lord! We have had such an excellent semester at Hyles-Anderson College, where I am so honored to teach various courses and help out in the Missions Department. Graduation time is drawing near, and we are excited about those that who graduate and begin their full-time ministry, serving the Lord.

God has prospered us in our personal soul-winning efforts here in the local area of Northwest Indiana, in the greater Chicago area, and recently in Peru for about a week. Some time ago, I mentioned that a man named Earl had received Christ as Saviour, as well as his son and daughter. We had been praying for his wife, and after about a two-hour time of explaining many verses to her, she trusted Christ as her Saviour a couple of weeks ago. The next day she came to church with her family!!! Praise God!

One awesome highlight of the past couple months was that **I had the honor to go to Lima, Peru, and teach the first week ever of Team Peru's Bible Seminary.** What eagerness the people had to learn the book of Acts during the week. It was also thrilling to preach in one of the churches, pastored by Bro. Mark Rader, and attend a Bible study, led by a man in Bro. Zach Foust's church. Thank you, Bro. Dan Hubbard and Bro. Daniel Kokubun, for allowing me this extraordinary privilege! Bro. Abe Avila is also doing an important work there. **Please pray** as these good families serve on a very needy field.

While in Peru I was able to see many of the families that my wife and I had the excitement of working with when we served in Peru. Over ten of them came to visit the church in which I preached that Sunday morning. During the invitation, the 11-year-old son of a couple that my wife and I had led to Christ trusted Christ as his Saviour! **Please pray** as he grows in the Lord.

Please pray for our upcoming FBMI Candidate School that will be held the first week of June! New missionaries, missionaries on deputation, and missionaries on furlough will be coming. God has used this to equip and encourage many missionaries, and even church members, in their service for the Lord.

Thank you for partnering with us as we serve the Lord in this generation!

For His glory,

Jeremy Snipes
