

# teaching all nations

Matthew 28:19

May 2015

Teaching All Nations had the opportunity to display at the annual Baptist Friends Convention at Temple Baptist Church in Powell, Tennessee. The meeting was wonderful, and many missionaries and pastors had the opportunity to learn more about Teaching All Nations and how it might be used to further the ministry God has put in their hearts. One such man is Jesse Enochs. He is an Indian national involved with training men for the ministry in India. Immediately Bro. Enochs realized the need for this program in his ministry and is currently working on ways for it to be used in India.

Dr. Bob Bowen traveled to Burma recently. During his time there, he introduced Teaching All Nations to a pastor named Sihok Soeurn, whom he had worked with for some time. Bro Sihok has taken the Teaching All Nations program and is progressing his students through the program to get the prepared for the ministry. Already his first class using the program is completing Lessons 11-20. Please pray for their ministry as they continue to train nationals.

Please pray for us as we are traveling through Illinois next month presenting Teaching All Nations in several churches. Additionally, we are working hard to initiate the Teaching Our People program. It is a Sunday school program based on the Teaching All Nations methods and concepts.
