

Andrew & Laura STEERS

Called to Tasmania, Australia

September/October 2015

Dear Pastor and Friends,

Praise God from Whom all blessings keep flowing, regardless of personal health challenges and regardless of the various obstacles of the ministry in the follow-up of visitors, seeing souls come to Christ, and being in church. The Devil is a liar and seeks to deceive so many amongst those we are seeking to reach with the Gospel, except he will never defeat us, providing we remain faithful. Amen!
"Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world." (I John 1:4)

We are especially thankful to hear from the young people in our midst who have just returned from a church camp hosted by a church of like faith, to hear of souls saved and the decisions of two young men who made public professions of God's calling upon their lives to become full-time preachers.

Please remember in your prayers a single lady in our church named Gaylene. In spite of a debilitating muscle condition that recently caused her body to temporarily shut down, it was a blessing to see her back in church last Sunday. Still very weak physically, this is one person whom every church should have, because of her positive attitude, her "no excuses" philosophy, her tithing—no matter what, and her obvious love for the Lord.

Please continue to pray for our church-wide soul-winning program. The faithfulness of all involved is greatly encouraging.

Thank you again for your ongoing prayers and support.

Sincerely yours in the service of the King,

Andrew Steers
