December 2015

Dear Family, Friends, and Supporting Churches,

As the 2015 calendar year draws to a close, we stop to reflect on another year's service here in Ghana. This year found the three of us busy with a variety of projects and tasks.

I have been busy with several building projects, two of which I have completed, with two more started. I was able to oversee and help with the building of church buildings in both Foase and Sunyani. These buildings are for two of our daughter churches. Our church raised money to help these fledgling churches get buildings in which to meet. I am currently working to complete a third church in Barekuma and a new building for our school. Please pray for our safety as we work on these building projects.

My Sunday school class is doing well, with many new members added this year. I am also currently discipling several young men whom I led to Christ throughout the past year. Please pray that they will grow and become faithful members of our church and profitable in God's work.

Virginia is busy with her responsibilities in the school. She is involved in teacher training and the day-to-day tasks of managing the school. She has a heart for the children and teachers and enjoys working with them.

Chloe is currently working in the school as a teacher and is responsible for purchasing supplies and other materials for the school. She is our resident "runner" and knows nearly everyone in town. She also has a knack for negotiating good prices with the merchants.

We would like to thank each of you for the part that you play in keeping us on the field in Ghana. We deeply appreciate every prayer, every thought, and every dollar of monetary support which you so graciously and sacrificially give. You are a blessing to our family and to our ministry.

Bill, Virginia, and Chloe Carter
