

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Friends and Supporters,

MARCH-APRIL 2016 Prayer Letter

PRAISE THE LORD!

On Sundays we are having a lot of first-time visitors. On the last Sunday of March, we had 27 first-time visitors. This past Sunday we had 19 first-time visitors. We are running out of chairs to seat the people. People are standing up for the services. We want you to rejoice with us!

UPDATE ON ONE MILLION GOSPEL TRACTS FOR ARGENTINA

A total of US\$600 has come in for this need. Thank you for your prayers. Because of drastic changes in the economy, the price of printing tracts has increased 250%. The dollar has been losing value, and the prices are going up all around us. We are still printing tracts and going forward by faith. I am praying and asking God for wisdom in what to do.

MISSIONS CONFERENCE

During March we had our annual missions conference. The church currently supports 18 missionaries. Because of the economic situation, we were not able to take on new missionaries. Praise the Lord, though, with the Faith Promise pledges we had, we can continue the support of our current missionaries.

UPDATE OF INFORMATION

We would like to send you our newsletter via email. We can be in better contact with you through email. If you could possibly help us with this, it would be a tremendous blessing for both you and for us. This is our NEW email address: georgefamilyargentina@gmail.com. Please send us a note to our email address, and we will update our records. Please take note, those of you who have our OLD email address.

SALVATION BLESSINGS

Recently I was asked to go visit a family who lives close to the church. The elderly mother has been bedridden for many months. She is over 80 years old. I was able to give her many Scripture verses on salvation. After I finished presenting her the Gospel, I asked her if she understood. She had been basing her salvation on works. She said she understood and wanted to get saved. I led her through the sinner's prayer; and, praise the Lord, she accepted the Lord as her Saviour. We were able to lead her two daughters and her son-in-law to the Lord as well. They have started to come to church.

THANK YOU

We praise the Lord for you and your love for missions. Thank you for your prayers and support.
