Dear Praying Friends,

Thank you for praying for us and supporting us financially here in Guadalajara, Mexico. The Lord is doing some wonderful things here!

In regard to the church planting, we had a good visit at the largest Bible college in Mexico, and Pastor Murillo had a good visit with Dr. Wynne. It seems that the Lord is working. He knows our need for permanent pastors and, with your prayers, will put it all together. We also need a way to finance land for these new church plants. When a church has land of its own, it helps the growth of a church tremendously. Some will not come to a church that is meeting in someone's house, and the houses fill easily, making growth difficult. Please pray for permanent pastors and land. Also, the Lord has added a new family to the church in San Agustin.

We also started our Spring Program on April 10 here in Guadalajara, and we added two new bus routes. The people of our church are excited about bringing visitors, and we have averaged over 300 in attendance the first three weeks of the program. I am our new bus director, and I sure need your prayers in regard to serving this great ministry. As of the writing of this letter, we have five weeks left in our Spring Program.

Our Anniversary Conference is just around the corner also, and this year Dr. Elmer Fernandez and Dr. Ezekiel Salazar are scheduled to be with us. I have a few responsibilities during the conference, not the least of which is directing the special music. Please pray for me.

Again, thank you for your prayers and support. You are making a big difference here in Guadalajara, Mexico.

Yours for souls,

Chris Sage
