

MISSIONARY #6011

April 2016

Dear Praying Friends,

On February 13, our third child, a little boy, was born at 1:26 a.m., weighing in at 8 pounds. Praise the Lord that baby and mother are both doing well. I suppose I may be partial, but I think he is a fine looking baby.

God has been so good to us in our travels with safety and no breakdowns. The children have been traveling fairly well. Praise the Lord for His provision and protection.

I was able to talk to Larry, a Jewish man, regarding his salvation. His heart was tender after the recent death of his mother-in-law. Please pray that he will accept Jesus as his Messiah. I was also able to witness to a boy from China. He and his father are here in the United States. Please pray that both of them will receive Christ as Saviour.

I had mentioned a pilot group from China in my last letter and sometimes being able to go and witness to them. One Saturday morning, I was able to see a man saved. Please pray that he will grow in the Lord. These men are in the States for about a year and a half, but still may need to be careful, as sometimes they may be warned about religion in America.

After dropping off my soul-winning partner one Saturday afternoon, my oldest son and I were headed back home. I saw a young man and felt impressed to go and talk to him. I turned the van around and was able to talk to Ahnzo and see him saved!

On Easter Sunday while driving past a park, there were two young men playing basketball whom I felt I should stop and talk to. Praise the Lord that Juan and Travion were both saved.

Prayer Requests:

- Souls saved
- Meetings/churches that will be able to support us (and that we may be a blessing where we go)
- Wisdom for us and our fellow team members still in China
- Those we have invested in in China
- Those who have heard the Gospel but have yet to believe
- Laborers
- Travel safety and our personal health

Thank you to those who have been long-time supporters, as well as those churches that have recently taken us into your missions family. We thank God for you and your faithful prayers and financial support and for the part you play and will continue to play in the harvest for souls in China and around the world.

In His service,

Missionary #6011 and Family
