“Starting churches and training preachers in the Dominican Republic”

Romans 1:16, “For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.”

Beloved Brethren,

March – May 2016

Greetings once again. My great desire is that our God and Saviour reward each one of you for your eternal investment in the cause of the Gospel.

These three past months have been nerve-wracking in the streets of the Dominican Republic because of the way the political parties promote their candidates. Our church constantly prayed for non-violent confrontations. At the end, our Lord heard our prayers. **Glory to God! He is the sovereign God, Who puts in place and takes away the kings on earth.**

Since our last letter, we have been extremely busy holding our Family Conference, our Missions Conference, and our Spring Program. The good spirit of our Missions Conference really inspired the church to have a joyful Spring Program. We titled both activities “Go Ye Into All the World” from Mark 16:15-16. Three pastors, who are starting new churches, shared their ministries and their need of support. The three of them also agreed that they urgently need larger places to continue to grow. It is really amazing how expensive it could be to buy any property in Santo Domingo.

Soul-Winning Time

One of the great miracles that happened recently in our church was the salvation of Ciprian Remigio. Not only I, but my friend Steve Sidler and others had been praying and witnessing to him for 15 years. His wife and children are very grateful because he has been attending church since his conversion to the Gospel. During the months of March, April, and May, 133 people were saved. Praise the Lord!

Concerning our family, my wife and I were in our home church in Hammond, Indiana, to attend the graduation of our youngest son Caleb from Hyles-Anderson College. This event was very emotional because of the great effort and work that Caleb had to do to graduate. Glory to God! He is good! Would you please pray that our Lord would use him in a special way in the ministry? Caleb is already working on staff at HAC. Endhy, our oldest son, is working as a youth pastor in a church in Illinois. The Lord has been very gracious in allowing our children to be trained to serve Him in the ministry. Please pray for them and our daughter Liliana, because they are very young. My great desire is for God to use them greatly for His honor and glory.
