Romans 1:16, “For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.”

June-August 2016

Dear Pastor and Brethren:

I am writing to you once again to express my fraternal love. Thanks be to the Lord for each one of you who, for almost 20 years, have been praying for us. Your prayers and participation in our ministry have helped us to stay on the field, serving the Lord with joy in the midst of adversity.

We thank God for His protection. Every year in the Caribbean, we have to face the hurricane season. Last month we were almost hit by two hurricanes; but, praise the Lord, at the last minute, the unexpected happened. Miraculously, both of them changed their course; we only had a lot of rain and severe winds.

The brothers are firm in the faith, always serving in the church, and winning the lost with the Gospel. We are currently preparing the church for the Youth Conference, which will be held next month. There is a new group of young people here in Santo Domingo who need to grow and consecrate themselves to the Lord. There are many attractions and temptations that the young people have to fight to stay in the faith. Please pray for this conference. Pray that God will bring revival and call youth to surrender to the ministry full-time.

I would like to praise our wonderful Saviour for what He has done during these past few months through the evangelistic work of the church. During the months of June, July, and August, we have been winning souls in the INVI. This is one of the most Catholic areas of the capital. In spite of this and to my surprise, the Lord has given us grace in the community, and many of them have accepted the Gospel. We have begun a bus route in this place. Several have been attending church, and one was baptized from those who have been saved. Glory to God for that! Brother Angel Montilla is in charge of this new ministry. Please pray for him not to be discouraged and that the Holy Spirit would produce in him patience and perseverance with these new converts.

My wife and I are grateful to all those who constantly pray for her health. The heat of the summer affects her a lot due to her multiple sclerosis condition. But the Lord has given her grace, and in spite of it, she has been actively serving God in every church service.

Again, thank you with all my heart for your great concern for the work of our beloved Lord and for remembering us always in prayers and finances so missionaries like us could be around the world serving our precious Saviour.

Prayer Requests:

1. Pray for the Youth Conference.
2. Pray for the new believers in the INVI area.
3. Pray for Brother Angel Montilla and his new bus route in the INVI area.
4. Pray for the purchase of the property where the church is currently located. (We need US\$150,000.00.)
