

August/September 2016

Dear Friends,

Thank you for your prayers and support!

10th Annual Pastors' and Workers' Conference

We hosted our 10th Annual Pastors' and Workers' Conference August 9-12. Our theme was ***"Let's Grow Our Faith."*** Pastor Wilkerson, pastor of First Baptist Church of Hammond, was our main speaker. What a wonderful conference it was! God did so much through this conference.

Some of our graduates who are now out pastoring

Church choir singing at the conference

Two leaders of our church in Barekuma came.

First-time conference attendees

Senior pastors who attended the conference

Converts

In the last two months, I have had the privilege of leading 8 relatives or close friends of some of our church members to Christ. Their names are Rebecca, Evelyn, Doris, Agnes, Derrick, Ernest, Yaw, and Kwaku. Please pray for these new believers to be established in the faith and grow.

Family

Lindsey has been struggling with health issues since she got sepsis in 2013. She also has gallstones that are causing her pain. Currently she is in Florida working with a functional-medicine doctor to get help with these issues. I will be joining her in the middle of October. We plan to be in the States until January. Please pray that the Lord will grant Lindsey complete healing.

In Christ,

Charles, Lindsey, and Josiah Osgood
