

**December 2016
Team Ghana**

**Church Plant and
National Pastor Spotlight**

Thank you for partnering with Team Ghana and our church-planting efforts. Please pray that, through these men, their families, and ministries, the Word of God would be glorified.

Pastor Collins Agyei: “This month was declared as our month of fruitfulness. God, by His mercy, rewarded us

Pastor Agyei with several church members

by sending more souls into our ministry. Brother Owusu Ansah brought 20 newcomers to the church. To God be the glory! Pray for us as we try to reach our town and villages around Lake Bosomtwe. My prayer is to train someone to take the church at Adwafo so that I can focus on the church at Bekwei.” – *Adwafo and Bekwei, Ashanti Region, Ghana*

Pastor Rexford Aning: “Two weeks ago I started a Bible study on discipleship in our church. I challenged the church members to start training others. A few days later, Peter Kwame Acheampong, who started with us from day one of the church, came to me after the service.

He told me how he was moved by God to teach people and invite them to church. He later called to inform me that he went out soul winning and met a lady and her five children. He preached the Gospel to them, and they trusted Christ. This Sunday Peter came to church with the woman and four of her children and a lady friend of one of her daughters.” – *Fiapre, Sunyani, Brong Ahafo Region, Ghana*

Pastor Erasco Domah: “Thank the Lord that we have come to the end of the rainy season, which limited our Gospel outreach. Recently we went to preach in Gweh Village, which has about 250 people living there. The chief of the village, who is now 86 years old, got saved. He asked us to start a Bible study in his village. This month we had 12 new people join our church. These are people who came to Tappita, where we have the church to work with the mining company. Pray for new home Bible studies in villages near Tappita—Kwedin and Ziah.” – *Tappita, Nimba County, Liberia*

Pastor Philip Gafatsi: “I met Besah Norgbe on my way to a local market in our town. I gave him a Gospel tract, and I asked him where he lived. He showed me his house, so the following day, I went and preached to him. That day he could not get the eternal security part. The next day I returned and explained further, and he accepted the truth of the Gospel. Emmanuel Norglo is growing in the Lord. He is faithful to church and has been bringing visitors to church. This past Sunday he brought one of his sisters.” – *Sokode, Volta Region, Ghana*
