“Starting churches and training preachers in the Dominican Republic”

Romans 1:16, “For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.”

January – February 2017

Beloved Pastor and Brethren,

To our beloved brethren in the faith—that the grace of our great God abound in each one of you is my great desire. The first months of this year have passed very fast; this is due to the intense work that the work of God requires. Apart from all the responsibilities in our church, I have been ministering the Word in several churches in the southern part of the island and also here in Santo Domingo. I rejoice how the churches responded to the preaching of the Word of God.

Several people who have been saved this year have encouraged us with their testimonies. Ruben is one of the new converts we have recently won. For many years, he attended a Pentecostal church, but he was not saved yet. When we won him for Christ, he was very disturbed and nervous because the pastor of the Pentecostal church said that God had told him we were going to have a tsunami in the Dominican Republic and the sea would flood us. By his genuine conversion now, he has a great peace and is regularly attending our church. It was not difficult for him to understand what I taught him about God’s control of the sea and that God does not speak in this way in this day and age. Now he laughs at what filled him with fear, and he enjoys seeing the beauty of the Caribbean Sea.

Another great blessing was the baptism we had in February. Some of the ones who were baptized were born in the church, and the other one was a baby when her mother came to our church. The brethren have enjoyed watching these teens being baptized. In our church there is a generation of youth and adolescents whose parents were saved years ago, and they were born and raised under the ministry of our congregation. For that reason, our youth group is a source of inspiration. **During the months of January and February, 102 people got saved. Praise the Lord!**

This year we have a great goal in our ministry; that goal is to buy the property we rent for the church. In December of this year, the lease expires. We are currently paying US\$700.00 per month for rent. That is a lot of money for our church because it’s not helping us to invest more in missions and to establish other churches. **We are praying for US\$148,000.00 to buy that property. We are asking you to please help us pray. At the same time, we would like to ask each of the churches that support us to help with a Building Fund offering to achieve this goal. Your prayers and generous help will help us to do so.** Thank you with all my heart to all those who have already contributed for this great cause. Personally, I am doing all the necessary sacrifice to have our own building; God is witness of that. My great desire is to take the US\$700.00 that we pay in rent and invest it in missions. With our great God’s help, we will achieve this task—that is my faith!

It is a great joy for me to write to you. Your prayers and your faithful financial support have been instruments the Lord has used so that many have known the Gospel of salvation here in the Dominican Republic.

Prayer Requests

1. Please pray for US\$148,000.00 to buy the church building.
2. Please pray for new believers.
3. Please pray for wisdom to inspire the church in the purchase of the property.
