

February / March 2017

Dear Friends,

Thank you for your prayers and support!

March Visitor-Emphasis Month

We had a great visitor month in March. Edmond, one of my Sunday school class members, brought his friend Francis to church. I was able to witness to Francis after the service, but he had to leave before I could finish. He took one of our church's salvation booklets and later trusted Christ as his Saviour through reading the booklet! He wanted his friends to hear the truth also, so he typed the salvation booklet on to his laptop and shared the file with his friends! Francis brought his friend Ebenezer to church a few weeks later. Last Saturday I was able to visit Ebenezer and lead him to Christ! Both Francis and Edmond are working through our church's discipleship lesson series, and they have a desire to win souls. Please pray for these young men to continue to grow.

Edmond and Francis

Fundamental Baptist Church of Barekuma

Converts Who Got Baptized

We had a great week of prayer and fasting at the end of February. Yaw Donkor, a man who recently started coming to our church, was faithful to come and pray. The following Saturday, Bro. Thomas and I were able to talk with him about salvation, and he trusted Christ as his Saviour. He followed the Lord in baptism on March 26. We were also able to preach the Gospel to his wife Nana Yaa, but she is having a hard time accepting that salvation is by grace through faith alone. However, she is teachable and wants to learn. Please pray for Nana Yaa to be saved.

On March 26, 7 converts in Barekuma followed the Lord in baptism: Charity, Ama, Gideon, Mary, Emmanuel, Yaw, and Victoria. Please pray for these Christians to be established in the faith and grow and reach others also.

I will be conducting our upcoming Teen Camp April 24 -28. Our theme is "I Have Decided to Follow Jesus." Please pray that God will do a great work in the hearts of all who come and that we will be committed disciples of Christ.

God bless,

Charles, Lindsey, and Josiah Osgood
