Dear Pastor,

My name is Jonathan Beil, and my wife and I are missionaries to Thailand. Thank you for taking the time to look over our materials. Please find attached our personal testimonies, our mission, and our ministry experience, as well as our letters of recommendation. To watch a short presentation of our ministry, you can go to [fbmi.org/missionary/beil](http://fbmi.org/missionary/beil) and click on the video link. Thank you again for your consideration in allowing us to present our ministry to your church. I look forward to communicating with you in the near future.

In His service,

Jon Beil

### Jon's Testimony

By God's grace, I was reared in a Christian home and learned from parents in full-time ministry. From a young age, I was exposed to the Bible and the Gospel message. I was taught how to have a relationship with Christ and what it meant to serve the Lord. At the age of fifteen, I attended a revival meeting at our church. I clearly remember the message about Heaven and Hell. I was convicted during the whole message, and during the invitation, I met my dad at the altar and trusted in Jesus Christ alone. That year at a Youth Conference, I surrendered to God's will to serve Him however He would call me. God kept working on my heart and led me to pursue His will and train for the ministry at Bible college.

After graduating high school, I attended Hyles-Anderson College where God allowed Brittany and me to meet. We dated for three years and were married on March 11, 2016. God brought us together to serve Him. During college I took several missions classes, and God put a burden on my heart for those outside of the U.S. While praying about what God would have us do, the Lord put the country of Thailand on our hearts on several different occasions. After graduating college, we moved to Martinsburg, West Virginia, and worked for Pastor Corey Bane as Christian school teachers and youth workers. In the summer of 2016, my home pastor, Bruce Goddard, gave my wife and me the opportunity to go on a survey trip to Thailand. Seeing the people in spiritual blindness and bondage, God made it known to us that Thailand is where He wants us to serve Him. Thailand and its surrounding countries are part of what is known as the 10/40 Window, the poorest and spiritually darkest area of the world. It is our mission to spread God's Light in this darkness and give the hope of the Gospel to those in need.

## Brittany's Testimony

I also had the privilege of growing up in a Christian home with parents in full-time ministry, and I accepted Christ as my Saviour when I was ten years old. A few years later, my family surrendered to be missionaries to the Jewish people in the country of Israel. My teen years were spent traveling the country to raise support on deputation. The summer before my senior year, our family moved to Jerusalem, Israel, and began a work reaching Jews and Gentiles alike. These experiences gave me an understanding of what it is like to travel and raise financial support, live in a culture outside of America, learn another language, and have a burden for world missions. Through Bible college, God brought Jon and me together to serve as a team and has called us to the foreign field of Thailand. We have truly been blessed by God, and we cannot wait to be in our future home, telling others about Him.

## OUR MISSION

We plan to join a team of missionaries in Hua Hin, Thailand, sent by Fundamental Baptist Missions International (FBMI), and work with the International Baptist Church of Hua Hin. We believe God has called us to Thailand to preach the Gospel, baptize and disciple converts, start new churches, and teach and train the next generation in Southeast Asia. During our first few years in Thailand, we will focus on learning the Thai language and culture while actively serving in the church's ministries. Team Thailand has already seen thousands of Thai people saved and baptized, planted new churches, and has plans to start a Bible institute in the near future.

Dear Fellow Servant,

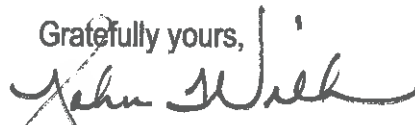

In a million years from now, it will only matter where we live and what we did for Jesus Christ our Saviour. Every week I attempt to witness personally and anticipate the chance to give to world evangelism so that people can hear of Christ. Missionaries are essential to that goal globally.

Jon and Brittany Beil are soul-conscience, steady, and committed servants of our Lord Jesus. They love God, come from great families, have sterling testimonies, work hard, and have a passion to please the Lord.

It is without reservation that I commend them for your consideration as ambassadors to Thailand on behalf of your church family. They are quality.

Thank you for the work and wisdom you possess for the kingdom of God. I am glad to speak with you if further information is needed. You may contact me at 219-932-0711.

Gratefully yours,

John Wilkerson  
Pastor

Dear Friends,

I write to you regarding Jon and Brittany Beil.

Jon was born and raised in our church. He went through our schools and then on to college without one negative moment. We watched him in sports, academics, and social life. Jon has always had a spirit of honor and loyalty to his family and leadership. I have never known Jon to not have a good job, and yet he has never allowed work to rob him of ministry and church service.

Regarding ministry, Jon has always been involved in ministry, always serving somewhere. I can without reservation recommend Jon to you for the Lord's plans in his future.

Brittany has been a picture of godly Christianity since we first met when she and Jon were dating. She has always had a heart for the mission field. Both she and Jon come from families strong in ministry, marriage, and loyalty to the Lord's work.

I am excited to see what the Lord has planned for their future. We sent this great couple to Thailand last year with the expectation of something wonderful happening in the days ahead. Now we get to partner with them on a permanent basis in bringing the gospel to the Thai people. We will be supporting them financially and in any other way needed.

We here at Faith Baptist are honored to have a part in their future ministry, and we hope you too will join us in providing the means to accomplish this goal.

Please contact us with any questions or needs regarding Jon and Brittany.

Sincerely,

Pastor Bruce Goddard

To Whom It May Concern:

Please receive this letter as a recommendation for Jon and Brittany Beil. This fine young couple is entering the deputation process on their way to the country of Thailand. Would you prayerfully consider partnering with them to this needy foreign field?

It has been my joy to have known these folks over the last few years. I first met Brittany as a teenager when she was on deputation with her missionary parents, Rusty and Ronda Guin. She spent some time in the country of Israel which has obviously given her a heart for missions now as an adult. Bro. Jon Beil grew up in a ministry family in Wildomar, CA, graduated from Bible College, and now has been teaching in our Christian School for the last year. I had the privilege of officiating their wedding last March, and have seen them grow and mature into fine Christian servants. Although our ministry will suffer a loss in their departure, the world will gain an excellent young couple for the cause of the Gospel of Jesus Christ!

Please contact me by phone or email if I can answer any other questions about the Beils.

God bless you as you continue faithfully serving the Lord in your "mission" field.

Pastor Corey Bane
