“ . . . ask, and ye shall receive, that your joy may be full.” (John 16:24)

Dear Friends and Supporting Churches,

Thank you for praying for my daughter Tabitha Daniella. She is coming along fairly well with the treatments. Thank GOD! She receives therapy twice weekly. Her left arm and leg are moving now, and she is walking better. She cannot drive yet; her vision is damaged, and she needs new glasses. Please keep praying for her.

SAN JOSE PINULA: Sometimes victory comes wrapped in tragedy. Marvin Garcia is a truck driver here who heard the Gospel many times but never paid much attention to it. Then eight months or so ago, tragedy came to his life. In a horrible traffic accident, which destroyed his truck, Marvin's body shot through the window and was mangled by steel debris from the wreckage. This riddled his body with multiple huge punctures in all of the worst possible places. Now eight months later, bedridden, paralyzed, and racked with pain, Marvin has received Christ as his Saviour. His five children also got saved. He is asking prayer for the fullest possible recovery. After two operations, he needs a third operation. Please pray for Brother Marvin Garcia.

Brother Rudy Morales is a new convert from San Jose Pinula who regularly attends our church. Bro. Morales, who has a natural religion practitioner (a witch) among his relatives there, has determined to stop witchcraft practices since he got saved. Last Saturday he took me to visit his relatives. Dona Betty, a witch lady, stopped us; she was so furious, causing no one to want to hear the Gospel. Please pray that God will stand against this woman with her threatenings and her demonic tirades. Pray that Rudy and his family will have complete freedom and liberty to continue steadfastly in the faith. Rudy Morales cannot read and write; I have started teaching him.

CHURCH VISITS CONTEMPLATED: I will be going to the States for the month of May 2018 in order to attend the high school graduation of my first grandson Ricardo and also to visit my daughter Tabitha Daniela. While there, I will also take the time to visit some churches. My email in Guatemala is lopezyax5@gmail.com. My phone number in the United States is 219.789.4013.

Thank you again for your support and prayers. God bless.

Sincerely,

Angel Lopez
